Emaan Zehra Butt

Home: 902 M, Kings Tower, Block 15, Gulistan-e-Jauhar, 75290, Karachi, Pakistan

Email address: emaanzehrabutt@gmail.com **Phone:** (+92) 3132066828

Website: https://www.linkedin.com/in/emaanzehra/

Date of birth: 28/05/2005 **Place of birth:** Karachi, Pakistan **Nationality:** Pakistani

ABOUT MYSELF

*Driven by the transformative potential of **Artificial Intelligence**, I am a dedicated student and developer committed to building the next generation of **intelligent systems**. My fascination lies in how logic and algorithms can automate complex decision-making, which has led me to master **Python** and **modern backend frameworks**. I am now seeking to transition my academic journey to **Germany** to immerse myself in its world-leading research environment, where I aim to refine my expertise in machine learning and contribute to the **future of global innovation**.*

WORK EXPERIENCE

Google Developer Groups On Campus (GDGOC) - UIT University
https://www.linkedin.com/company/gdgocuitu/

City: Karachi | **Country:** Pakistan

[20/10/2025 - 27/03/2026]

Software engineer

Technical Mentorship: *Provided guidance to students in **Python programming** and modern software development practices to bridge the gap between academic theory and industry.*

Workshop Facilitation: *Co-organized and led technical hands-on sessions focused on **Artificial Intelligence**, Machine Learning fundamentals, and **Google Cloud** technologies.*

Project Prototyping: *Collaborated within the tech team to develop software prototypes and internal tools using **Python**, ensuring clean code and efficient logic.*

Community Leadership: *Played a key role in growing the developer community at UIT through organizing "Solution Challenges" and "DevFests," fostering a culture of peer-to-peer learning.*

Collaborative Development: *Utilized **Git and GitHub** for version control and team-based development, following professional software engineering workflows.*

EDUCATION & TRAINING

[06/02/2025 - 27/03/2026]

Bachelor of Science in Artificial Intelligence (BSAI)

UIT University https://github.com/emaanzehra

City: Karachi | **Country:** Pakistan | **Field(s) of study:** Software and applications development and analysis | **Final grade:** CGPA: 3.56 / 4.00 | **Level in EQF:** 6 | **Type of credits:** Credit Hours (CH) | **Number of credits:** 32

Academic Status: *Successfully completed the first two semesters (32 Credit Hours) to fulfill the requirements for direct university admission (direkte Hochschulzugangsberechtigung) in Germany. Currently seeking to transfer to a German institution.*

Core modules*: Programming Fundamentals (Python), Object-Oriented Programming (Java), Discrete Structures, Calculus & Analytical Geometry, Digital Logic Design, and Applied Physics.*

Skills:*Software logic, algorithmic thinking, mathematical modeling, and functional programming.*

[06/01/2022 - 07/06/2024]

Intermediate (HSC - Pre-Engineering)

Government Degree Girls College Block 12
https://www.biek.edu.pk/

City: Karachi | **Country:** Pakistan | **Field(s) of study:** Inter-disciplinary programmes and qualifications involving natural sciences, mathematics and statistics | **Final grade:** 50.91% | **Level in EQF:** 4

Core Sciences:*Advanced Mathematics (Calculus & Geometry), Physics (Mechanics & Electromagnetism), and Chemistry.*

English Proficiency:*Advanced composition and comprehension.*

Medium of Instruction:*Entire curriculum and all examinations conducted in **English**.*

•

[15/07/2017 - 29/10/2021]

Matriculation (SSC - Computer Science)

The Guardians School

City: Karachi | **Country:** Pakistan | **Field(s) of study:** Computer use | **Final grade:** 63.53% (First Division) | **Level in EQF:** 2

Core Subjects:*Mathematics, Computer Science (Programming & Logic), and Science (Physics, Chemistry, Biology).*

Languages:*Proficiency in English and Urdu.*

Medium of Instruction:*Entire curriculum and all examinations conducted in **English**.*

LANGUAGE SKILLS

Mother tongue(s): Urdu

Other language(s):

English

LISTENING: C1 **READING:** C1 **WRITING:** B2

SPOKEN PRODUCTION: B2 **SPOKEN INTERACTION:** B2

German

LISTENING: A1 **READING:** A1 **WRITING:** A1

SPOKEN PRODUCTION: A1 **SPOKEN INTERACTION:** A1

SKILLS

Python (computer programming) | Java (computer programming) | Fast-api | Git/Github, Docker, Gitlab | Artificial Intelligence and Machine learning | Linux / Linux bash | Python (NumPy, Pandas, NLTK, Matplotlib, sklearn, TensorFlow) | Visual Studio Visual Studio Code | SQL

CERTIFICATIONS

[GDGOC UIT University, 27/03/2026]

Certificate of Appreciation

Recognition of Technical Contribution: *Awarded for outstanding dedication and technical support as a* ***Tech Team Member*** *during the 2025-2026 academic session.*

Knowledge Sharing: *Acknowledged for facilitating hands-on technical workshops and mentoring peers in* ***Python programming*** *and* ***AI fundamentals*** *.*

Community Impact: *Contributed to the successful execution of Google Developer Groups (GDG) events, including technical hackathons and the Google Solution Challenge at UIT University.*

Mode of Learning: Hybrid
